LASTING ELEGANCE

AMERICAN 76 Beaded Lasting Elegance.

American 76 Beaded® vinyl siding by NAPCO is an elegant way to take your home's appearance from ordinary to extraordinary. You'll find a wide variety of colors, each with hand-crafted, unique full-bead styling and a beautiful finish. All backed by our legendary performance and wind-resisting durability. So you can choose with confidence, knowing you're making a sensible investment in style and security.

WHY

- **.044" panel thickness for superior durability and dent resistance**
- **Fine brushstroke emboss with low-gloss finish**
- **Hand-crafted beaded appearance**
- **5/8" panel projection for maximum rigidity and straighter application**
- **Available in 6.5" full-beaded profile**
- **11 designer colors with excellent color retention**
- **Limited Lifetime Transferable Warranty**

Charming style that isn't a chore.

Give your home a stately appearance—and yourself a break from painting, scraping and weekends on a ladder—with American 76 Beaded® vinyl siding from NAPCO®. It's practically maintenance-free, and even worry-free, thanks to a Limited Lifetime Transferable Warranty from NAPCO®, a leading manufacturer of high quality vinyl siding and exterior design products for 50 years.

Very elegant, yet equally high-tech.

Fine detailing, rugged construction and a stunning 6.5" full-beaded profile give American 76 Beaded® vinyl siding an elegant edge over the competition. Every extra-thick panel is constructed using the latest technologies, so it's exceptionally durable and extremely dent-resistant. Which means you can surround your home with security and style in equal measure.

ESCAPE

A straight, secure, strong fit.

American 76 Beaded® vinyl siding by NAPCO® features Power Lock, a tough locking system that provides extra rigidity for a straighter application. This technology also increases durability, helping your siding withstand impacts and high winds. So it can stand up to harsh weather, hearty children and more... in grand style.

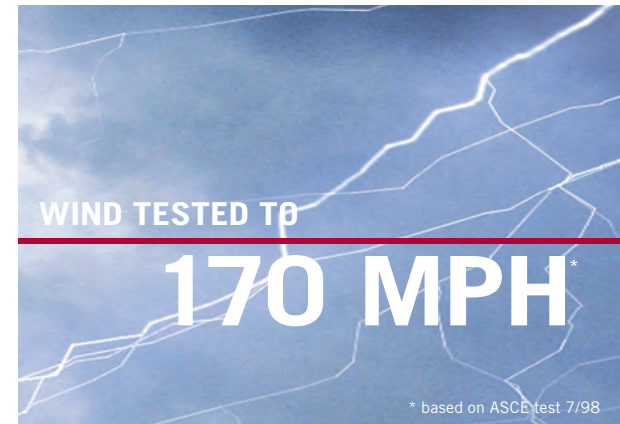

A wise way to weather the elements.

When the wind blows or the rain pounds, your home will withstand it beautifully. When temperatures soar or plummet, you'll smile a secure smile, knowing that American 76 Beaded® vinyl siding is lab and outdoor tested for maximum performance in extreme temperatures. And when the winds really howl, you'll relax, knowing your home is wrapped with a product proven to withstand winds in excess of 170 mph*!

**POWER
LOCK™**

Our tough locking system helps keep your siding straight and very secure.

What the Best Homes are Wearing®
